

CALVARY CHAPEL BIBLE COLLEGE PERU
BIBLE TRAINING WITH AN EMPHASIS ON MISSIONS & CROSS-CULTURAL EVANGELISM

Student Handbook

We are so happy that you are considering studying here at Calvary Chapel Bible College, Peru. Our supreme desire is to honor Jesus by fulfilling His Great Commission: to make disciples of all nations, baptizing them and teaching them to guard all that He has commanded (Matthew 28:19). We hope that you might discover your spiritual gifts here at CCBC Peru, and that you would find your calling in His service. Perhaps you will continue on, serving as a missionary to Latin America after your graduation. Many have! Your time of study at Calvary Chapel Bible College Peru will be an unforgettable experience that will surely spur you on to personal growth and maturity in your relationship with Jesus. Studying here will be both rewarding and challenging. Expect to be broken. Remember, you are on the mission field, battling on the front-lines. You will experience spiritual warfare, and you must be on your toes discerning who the true enemy is. Living on the mission field, out of your comfort zone, in tight quarters with dozens of other sinners can be stressful and will try your patience and certainly produce many trials. To keep problems to a minimum, we have designed the following guidelines to help make your Peru experience the most enjoyable for you and for your new international family.

1.0 Academics

Since its inception in 1975, the singular objective of Calvary Chapel Bible College—through its Bible course offerings—is to provide students with a good, working knowledge of the Scriptures and help deepen their relationship with Jesus and strengthen their faith in Him. Most courses are taught by caring, experienced, Calvary Chapel pastors who bring years of practical ministry into the classroom.

A unique aspect of studying at the Peru campus of Calvary Chapel Bible College is that students can live on the real-life mission field while studying God's Word, participating in cross-cultural outreach, while also acquiring Spanish.

Beginning Spring 2019, there are now several options for students applying to study at Calvary Chapel Bible College Peru:

Graduate Degree Program: Through an Articulation Agreement with Calvary Chapel University, Calvary Chapel Bible College Peru is now able to offer General Education classes to our English speaking students desiring to transfer credits to other colleges and universities in order to obtain Associate's, Bachelor's, Master's or Doctorate degrees. Included in this program is an all-expense-paid, fourth semester, Bible Study Tour of Israel for all students successfully completing the two-year program of study at Calvary Chapel Bible College Peru. Semester Price (including tuition, room and board): \$3,699

CCBC Murrieta Transfer Students: As a recognized affiliate campus of Calvary Chapel Bible College (Murrieta, California) and its worldwide network of affiliates, Calvary Chapel Bible College Peru welcomes those transfer students wanting to take a semester, or more, at the Peru extension campus. Semester Price (including tuition, room and board): \$3,699

Certificate of Completion: For those students who are not interested in obtaining a degree, but solely want to be challenged to adequately learn the Bible and grow deeper in their relationship with Jesus, we have a certificate of completion program. Semester Price (including tuition, room and board): \$2,699.

Spouses: For spouses of full paying attending students, the additional cost is \$200 monthly for room and board (for the non-student spouse), or the full amount specified for one of the above mentioned optional programs if the spouse also attends classes. Children 2 - 9 will contribute \$100 additional per month, while children 10 and older will contribute \$200 monthly. (For more information, please contact us on our "Contact Tab")

Off Campus Audit Program: For those living in the community who are not interested in graduating, but want to take an occasional Bible course, we suggest auditing classes at \$100 per credit.

Discounts: 10% discounts will be considered for dependent children of qualifying Calvary Chapel missionaries and pastors.

1.1 Program

Students who finish all four semesters (72 credits with CCBC) are eligible for a diploma. For a diploma, the following are examples of core and elective classes.

Bible Core Classes

GENESIS
GOSPEL
ACTS
ROMANS
REVELATION

Elective Class Examples

EXODUS
JOSHUA
LIVE OF DAVID
PASTORAL EPISTLES
GALATIANS

Foundations Classes

MISSIONS
THEOLOGY
INDUCTIVE BIBLE STUDY
APOLOGETICS

1.2 Tardiness

Part of your academics evaluation for each of your classes consists of your attendance record. It is important to arrive to class on time, and to participate in every minute of the teaching time. Please don't leave early, and please do not extend the break times. You will be marked tardy for arriving late, two minutes after the start of class; three tardy marks equal one absence, and three absences means failure of the course.

1.3 Absence

The class instructor is not allowed to give a passing grade to any student who has three or more absences. Only extreme illness and certain emergencies will be considered, and the student will have to make up the class with extra assignments (we do not record our classes). It is the student's responsibility to ask the teacher for the make up work. Neither ministry opportunities nor visits from out-of-town family or guests will be considered as an excused absence.

1.4 Grades

Our courses adhere to a typical grading scale:

A = 90 – 100 %	(EXCEPTIONAL)
B = 80 – 89 %	(ABOVE AVERAGE)
C = 70 – 79 %	(AVERAGE)
D = 60 – 69 %	(BELOW AVERAGE)
F = 0 – 59 %	(FAIL)

This means that merely fulfilling the minimum requirements will not guarantee that a student merits an A. If a student wishes to earn an "A" then he/she must go above and beyond the minimum requirements to achieve an "exceptional" grade. Failure to turn in any assignment will result in a zero for that assignment. Assignments turned in late will be reduced by one full letter grade for each day they are late.

1.5 Certificate of Completion

Calvary Chapel Bible College-Peru issues a certificate for students having completed 72 credits of study through the Peruvian ccbc campus. This campus strives to maintain the quality of instruction and academic excellence found at all calvary chapel Bible college campuses throughout the world.

1.7 Classroom

Cell phones, mp3 or sound devices, games, crocheting, skype or chatting from your laptop are not allowed during class time. Food is not allowed in the classroom, but feel free to bring a bottle of water.

2.0 House Rules

2.1 Curfew

All students are expected to be on campus by 10 P.M. every night of the week. The facilities director will lock-down the facilities at the above indicated time. If, for any reason, you must be out later, please clear this with the one who is in charge of your area (dean of women/dean of men).

2.2 Lights out!

The "respect" that we show each other is very important and we want to help you mature and to be considerate to others; some are night owls, but others enjoy going to bed early. For this reason, everyone is expected to be in their dorms at 10:45pm nightly and lights out by 11:00 pm Sunday through Thursday. Friday and Saturday nights you must be in your dorms by 11:45 and have lights out at 12:00 am.

SUNDAY – THURSDAY:

BE ON CAMPUS =	10:00 PM
BE IN YOUR DORMS =	10:45 PM
LIGHTS OUT =	11:00 PM

FRIDAY – SATURDAY:

BE ON CAMPUS=	10:00 PM
BE IN YOUR DORMS =	11:45 PM
LIGHTS OUT =	12:00 AM

In consideration of others, please refrain from setting alarms prior to 5 a.M.

2.3 Secular music and movies

We hope that each student will take advantage of the Bible college's wholesome environment to grow and mature, leaving worldly influences behind. Please do not sin by purchasing pirated DVD'S that are so easily available in Peru. This form of corruption is very tempting, but we must say no to this form of thievery. If you would like to watch a non Christian movie, please approve it with the one who is in charge of your area (dean of women/dean of men).

2.4 Internet Usage

Using the internet at ccbc is a privilege which comes with great responsibility. Internet privilege will be taken away, and possible expulsion, if inappropriate sites are visited, or if music or movies are being downloaded to your computer.

2.5 Dorm Cleaning

In considering others, please keep your living quarters clean and presentable. Beds are to be made daily before Devos, and be sure to clean up after yourself in the bathroom. Food is not allowed in the dorms. Every Friday, the men's and women's dorms will be thoroughly inspected. Bible college leadership reserves the right to, and will, make unannounced inspections.

2.6 Holding Deposit

Every student must leave a \$35 security deposit in the accounting office and show the receipt to the facilities director. The \$35 deposit will be returned to the student upon the final room inspection at the end of the semester, providing the student has monetarily taken care of any lost or broken ccbc Peru items.

2.7 Guests

Please speak with a staff member prior to inviting guests onto the Bible college property. Guests should not go beyond the volleyball court at any time. It is best to meet with them at alternate safe public places. All non-staff, non-residents must leave campus by 9:30 p.M.

3.0 Interpersonal Relationships

3.1 “Single-mindedness”

We strongly suggest focusing on your relationship with Jesus, academics, service and ministry during your four months of study in Peru. Emotional relationships tend to distract and cause awkwardness. We want to avoid temptation, carnality, and broken relationships that bring pain and disunity within the CCBC-Peru family.

3.2 Twitterpation

If a physical attraction begins to develop, we want to help. Please come to us for counsel, help and Biblical guidance before approaching that person with your “feelings”. at this point we will discuss your (spiritual, educational, financial and emotional) preparedness for marriage. This does not mean we will approve relationships; on the contrary, students who enter into relationships will be dismissed. This is for your accountability and future happiness.

3.3 Fornication

Any type of sexual sin will be cause for immediate dismissal. This includes visiting pornographic websites.

4.0 Dress

4.1 Modesty

Appropriate dress is required for students at all times. You will be spoken to and asked to change clothes if any staff member has to approach you about your clothing. Provocative, revealing or sensual tight-fitting clothing should never be used by believers in public. Tank-tops, midriffs and short shorts are not allowed at CCBC-Peru.

Men, please consider your sisters. Please do not go shirtless on campus. Use bathing suits only at a pool, gym, or at the beach.

Women, please protect your brothers eyes, thoughts and hearts. Showing too much skin or cleavage can cause men to sin in their thoughts. Use a t-shirt if you use a two-piece bathing suit; one piece bathing attire is preferred.

The wearing of pajamas is only for the dorm rooms.

4.2 Bare Feet

Except in dorm rooms, please wear shoes or sandals at all times on campus. Please do not place bare feet or shoes on seats or chairs as many locals are offended by this.

4.3 Body Piercing

Students are not allowed to get body piercing while attending ccbc Peru. If you already have piercings, the staff will decide what is appropriate or not on an individual basis, and you will either have to remove them, or decide if you want to attend ccbc Peru.

4.4 Tattoos

Students are not allowed to get tattoos while attending ccbc Peru. If you already have tattoos, the staff will decide what is appropriate or not on an individual basis, and you will either have to cover them at all times, or decide if you want to attend ccbc Peru.

5.0 Going Off Campus

5.1 Trips to Town:

For your protection, we suggest the following guidelines when going into town. When possible, for safety reasons, enjoy going out in groups of three or more, or two of the same sex. Remember to please approve it with the one who is in charge of your area (dean of women/dean of men). If you do go out alone, please take the college phone number and address. Avoid the more dangerous parts of the city, and do not take things of value you would not mind losing or getting stolen.

5.2 Testimony

Remember that your example and testimony on and off campus can make or break this ministry. We are God's ambassadors 24-7. Please do not go places around town, like bars, casinos or nightclubs, that would discredit God's wholesome name.

5.3 College Vehicles

Because of insurance reasons, students are not usually allowed use of campus vehicles. Please do not expect staff members to be your taxi drivers.

If there is room in our vehicles and we are going the same direction you are, we are happy to give you a ride—so ask around and see who's making the next trip into town.

5.4 Taxis

The Bible college has a relationship with a reliable and reasonable taxi company. If you need a taxi (especially at night) you can contact multi-service at 986736078. Please do not call a taxi and then not take it. The fair should always be 15.00 soles from the Bible College to town and 20.00 soles from the Bible College to the airport.

5.5 Independent Trips

We ask that you not plan independent, overnight trips during the semester. Students are expected to be a part of the missionary emphasis of the program of CCBC Peru. If you would like to take an independent trip make sure you approve it with the person in charge of your area (Dean of men/ Dean of Women). But your trip cannot interfere with your M199, Chuck Tracks, Classes, or ministry.

5.6 Money Exchange

We know someone that owns a money exchange business located in the main Plaza. You can ask a staff member to direct or take you to the money exchange, and they will gladly help if they are available.

5.7 Additional Days

Make sure you ask for a 180 day visa when entering Peru or you will have to pay \$1.50 for additional days.

6.0 Intentional Sin

6.1 Intentional Sin:

It is bad to lie, steal, blaspheme, use vulgar language, litter, etc. Please have this in consideration.

7.0 Food & Dining

MEAL TIMES:

(Monday – Friday)

Breakfast: 7:15 – 7:30 A.M.

Lunch: 1:00 – 2:00 P.M.

Dinner: 6:00 – 6:30 P.M.

(Saturday & Sunday)

Breakfast: 8:00 – 8:30 A.M.

Lunch: 1:00 – 1:30 P.M.

Dinner: 6:00 – 6:30 P.M.

7.1 Being On Time

The Bible College is going to do everything possible to have meals ready at the indicated hour. There will be no announcements before mealtimes, as each student is responsible to be present at the hour indicated. If there are leftovers 15 minutes after the indicated time of serving, students are allowed to have seconds (after everyone has been served).

We want to be good stewards, so if for any particular reason you will not be there for a Bible college meal, please inform those in charge of the kitchen ahead of time, so that the correct amount of servings will be prepared. If you arrive late for a meal, it is not the kitchen staff's responsibility to save a plate for you. The kitchen staff has been instructed not to save meals for anyone.

If you have a particular dietary need, please inform Karina Minauro at the beginning of the semester.

7.2 Kitchen Use

For security reasons, only the kitchen staff and assigned M199 students are permitted to be in the kitchen. Sharp knives, wet floors, fire, and an excessive amount of people in the kitchen can cause disaster.

7.3 Midnight Snack

The kitchen can not be used outside of meal times. Going into the pantry or refrigerator looking for leftovers or snacks is robbery before the lord almighty, creator of heaven and earth. However, you can enjoy fruit (up to two pieces daily) in the fruit basket which is located in the dining room.

7.4 Dining Room / Classroom

A small refrigerator designated for the student's use will be located in the dining room to save perishable food (nothing that needs to be cooked). Please write your name and date on each item that is stored there and respect the property of others, we will throw away any food that does not have a name written on it. Don't let your food go bad. The refrigerator will be cleaned out weekly.

7.5 The Needy

If money or any type of food is to be given to people with need, this will be determined by the CCBC staff. It is not permitted to give provisions or leftovers that belong to the Bible college.

8.0 Misc

8.1 Maintenance Shop

Only authorized people are allowed to enter the maintenance shop. If you need a tool please see the staff in charge of the tools and he will help you to sign it out and will speak to you if you forget to return it!

8.2 Sports Equipment

Please do not borrow any tents, volleyball or ping-pong equipment, without first obtaining permission from the office. Remember that lost or destroyed items should be replaced by those who borrow them.

8.3 Broken Items

Please be responsible. If you break a window or other Bible college property, please notify a staff member and help replace the item.

8.4 Keys

Staff members are not allowed to loan or make duplicate keys. For insurance reasons, there should always be three people on campus at all times. Please do not open the door and let anyone on campus that you do not know; this could be very dangerous.

8.5 Toilet Paper

With our primitive septic system, it is asked to not to flush toilet paper, but to place it in covered trash receptacles to be burned. Yes, this is gross, but hey, welcome to the mission field!

8.6 Water

Praise the Lord, we have an adequate supply of water but not an over abundance. "Missionary showers" are required, and minimal water usage is recommended when washing dishes. Please advise the maintenance department when you see a leaky faucet or constantly running toilet.

8.7 Laundry

A schedule has been made for laundry times. Be considerate of others, and respect the use of the limited number of machines and the laundry schedule. If you go over your allotted times, this will adversely affect others. Do not use the machines until you have been given a proper training. We charge \$1 per load to wash and \$1 per load to use the dryer. This privilege should not be abused. Do not overload machines that would destroy them, or use too much soap.
